TERMS OF SALE

1. All lots will be sold to the high bidder at the next regular advance over the second high bid by the highest amount of either \$1 or 5%. We reserve the right to reject any or all bids.
2. All items offered are guaranteed to be genuine and as listed. Errors on the part of the cataloguer will be cheerfully corrected. Please bid carefully as we cannot be responsible for the errors of others.
3. Lots will be sent to successful bidders, on open account, to acceptable, established customers only. New customers, and those with whom we have had problems in the past, will be invoiced first and lots mailed only after payment has been received.
4. Payment is due immediately upon receipt of merchandise, or upon receipt of invoice, unless other arrangements have been made in advance.
5. 5% Sales Tax will be added to all Illinois orders unless we have on file, a signed exemption certificate and Illinois registration number.
6. Bids are to be made, and invoices paid, in U.S. funds only. Foreign bidders must assume all risk of non-delivery and should advise if special shipping instructions are necessary.
7. Shipping costs will be added to all invoices. In view of recent difficulties we have experienced when shipping by Parcel Post, all orders will be sent by Registered Mail unless we receive prior instructions to the contrary.
8. Title to all lots remains with the cataloguer until paid for in full.
9. Minors are expressly forbidden to participate in this sale.
10. In the case of tie bids, the first bid received will be declared the winner.
11. Lots will be available for inspection at our bank, by appointment only.
12. Buy bids will not be accepted.

Prices Realized lists will be available about 10 days after the sale closes at the price of \$1. Please include payment with your request. Consignors and annual subscribers will receive the lists without additional charge.
